**Transfer from other Universities, second qualifications -
Enrolment after withdrawal or renunciation
Evaluation of previous career for the admission requests A.Y. 2018/2019**

- All documents necessary for the assessment of the previous career must be included at the time of the evaluation request. No additional documents will be accepted after the deadline.
- The lists of self-certified courses, when completing the online application, must be the same of those in the certificate of the exams passed.
- **Students with foreign qualifications** - request submission procedure at the following link: www.poliorientami.polimi.it/come-si-accede/studenti-con-titolo-estero/studenti-con-precedente-carriera-universitaria
- Lists with differences between the translation and what added by the student will not be taken into account.
- The exams already taken and declared will be taken into account, as well as the exams that the student wants to pass, only if identified as "Optional validation" at the time of the evaluation request.
- If you think that the ECTS necessary to pass without a test/admission test could not be validated, we suggest you to take that test for the A.Y. 2018/2019

Attention: only for change or transfer to Architectural Design study programme provided in English, the submission of the appropriate English language certification is compulsory.
