CALL DATA

The Rector

SELECTION NOTICE

A competition is announced for selecting 24 (twentyfour) students enrolled in one of the following Laurea Magistrale programmes (equivalent to Master of Science, hereinafter LM) of the School of Architecture Urban Planning Construction Engineering at Politecnico di Milano, in degree classes LM-3, LM-4, LM-24, LM-48:

- LANDSCAPE ARCHITECTURE. LAND LANDSCAPE HERITAGE
- ARCHITECTURAL DESIGN AND HISTORY / PROGETTAZIONE ARCHITETTONICA E STORIA
- ARCHITETTURA - AMBIENTE COSTRUITO - INTERNI / ARCHITECTURE - BUILT ENVIRONMENT – INTERIORS
- ARCHITETTURA - ARCHITETTURA DELLE COSTRUZIONI / BUILDING ARCHITECTURE
- ARCHITETTURA E DISEGNO URBANO / ARCHITECTURE AND URBAN DESIGN
- SUSTAINABLE ARCHITECTURE AND LANDSCAPE DESIGN - ARCHITETTURA SOSTENIBILE E PROGETTO DEL PAESAGGIO
- INGEGNERIA EDILE – ARCHITETTURA (single-cycle)
- BUILDING AND ARCHITECTURAL ENGINEERING
- BUILDING SYSTEMS ENGINEERING
- MANAGEMENT OF BUILT ENVIRONMENT – GESTIONE DEL COSTRUITO
- URBAN PLANNING AND POLICY DESIGN - PIANIFICAZIONE URBANA E POLITICHE TERRITORIALI

The 24 (twentyfour) selected students will participate in the HONOURS PROGRAMME 'Advanced School of Architecture (ASA)' an 'additive' training programme aimed at enhancing the design skills of the architect, landscape architect, engineer and planner of the future. During this training pathway, project and research activities will bring the student into direct contact with the real profession and complexity of architectural design, which is currently taking place in different European and non-European realities.

The programme consists of three experimental training experiences, with compulsory attendance, which will be reported in the *Diploma Supplement*:

- **Two Master Classes**, lasting one week, in which students will be asked to experiment with 'advanced approaches', innovative and cross-sectoral design and analysis methodologies in relation to the issues and problems of the contemporary time, under the guidance of a Visiting Professor, for a total of 6 ECTSs to include in excess of the study plan. The two Master Classes will take place during the

POLITECNICO MILANO 1863

second academic year of the LM programme or the fifth year of the single-cycle LM programme; this first Master Class will take place at the beginning of the first semester and the second Masterclass at the beginning or end of the second semester;

- an **Advanced Design Practice**, to be carried out in a design firm of international excellence, for a duration of at least 500 (five hundred) hours, attested by the submission of a Journal de Bord.

Attendance at the full Advanced School of Architecture (ASA) cycle (2 Master Classes plus Design Practice) will entitle students to a certificate, which they must apply for at least 2 weeks before graduating. Partial participation in Advanced School of Architecture (ASA) does not give entitlement to certification.

APPLICATION FOR PARTICIPATION

The selection is open to students at Politecnico di Milano who in the first semester of the 2023-24 academic year are regularly enrolled in:

- the first year of a LM programme (in degree classes LM-3, LM-4, LM-24, LM-48) at the School of Architecture Urban Planning Construction Engineering;
- the fourth year of the single-cycle LM programme in Ingegneria Edile – Architettura (degree class LM-4) at the School of Architecture Urban Planning Construction Engineering and who have, as of the deadline of this competition, at least 180 ECTSs useful for obtaining the degree duly registered in their career.

The application must be submitted via Online Services (section Requests for Admission > Admission to Selection Procedures) **by 12:00 noon (Italian time) on 8th April 2024**.

The following must be attached to the application form:

- **1_ Motivational video in English**, duration 2 minutes (mp4 format), illustrating the main reasons and motivations for participating in ASA activities, starting from the applicant's biographical profile;
- **2_ Curriculum vitae in English**, maximum 3 pages, listing the examinations and related scores taken in the first semester of the first year of the LM programme and in the fourth year of the single-cycle LM programme;
- **3_ Portfolio in English of the projects** developed by the student during his/her educational pathway, during workshops and any work activities, for maximum 30 pages in total.

Materials must be uploaded via Online Services as follows:

- **Motivational Video:** a Word file containing the link to the video saved in OneDrive, named as follows: StudentIDNumber_Surname_type of document.word (e.g., 777777_Rossi_video.word);
- **Curriculum Vitae and Portfolio:** pdf file, maximum 10MB, named as follows: StudentIDNumber_Surname_type of document.pdf (e.g., 777777_Rossi_portfolio.pdf).

Closing the online application is equivalent to sending the application for participation in the pre-selection.

Failure to complete and close the application or submission of an incomplete application will result in **the applicant being excluded from the pre-selection process**. It is the applicant's responsibility to check whether the process has been completed correctly.

POLITECNICO MILANO 1863

SELECTION

The selection is entrusted to a Board composed of ASA Director Prof. Pierre-Alain Croset and at least two Members appointed by the Pro-Tempore Dean of the AUIC School. The selection of candidates will be published on the School's website at: <https://www.auic.polimi.it/it/scuola/progetti/advanced-school-of-architecture-asa#c3053>

The assessment process is divided into two phases:

- in the **first phases**, a shortlist will be drawn up for the **selection of the candidates admitted to the interview, which will be held online in English**; the shortlist will be drafted based on the evaluation of applicants' CVs, portfolios and motivational videos. **The first 36 (thirtysix) students in the shortlist will be admitted to the interview. The shortlist of candidates admitted to the interview and the date of the interview will be published by 6th May 2024 on** <https://www.auic.polimi.it/it/scuola/progetti/advanced-school-of-architecture-asa#c3053>
- in the **second phase**, the Board will draw up a final merit ranking of the **24 (twentyfour) students admitted to the Advanced School of Architecture (ASA)**, based on the scores awarded in the first phase and the scores awarded in the interview.

Failure to attend the interview, on the established date and time and in the manner indicated above, even if due to force majeure, will be considered as withdrawal from the selection.

In the event of a tied score, priority in the ranking will be given to the youngest applicant.

The Selection Board can award 100 (one hundred) points, distributed as follows:

First phase

Assessment of the Motivational Video	up to 20 points
Assessment of the Portfolio	up to 40 points
Assessment of the curriculum vitae and studiorum (study qualifications, examinations taken in the first semester of the LM - single-cycle LM, curricular and extracurricular activities and experiences)	up to 20 points

Second Phase

Assessment of the interview in English	up to 20 points
---	-----------------

The ranking list of students admitted to participate in the Advanced School of Architecture (ASA), will be published on **17th May 2024** on the AUIC School website at <https://www.auic.polimi.it/it/scuola/progetti/advanced-school-of-architecture-asa#c3053>

POLITECNICO

MILANO 1863

Admitted students must, under penalty of exclusion, formally accept the Advanced School of Architecture (ASA) by sending an email to asa@polimi.it within five days of the publication of the ranking list. A form specifically filled in and signed by the student must be attached to the email, which will be provided by the School following the publication of the ranking list referred to in the previous paragraph.

In the event of renunciations and/or exclusions, the Board shall proceed with the following candidates in the ranking list.

INCOMPATIBILITY

In order to ensure the efficiency of teaching, the pursuit of the AUIC School's educational objectives and equal participation of all students in the programmes and/or special courses offered by the School and Politecnico, a student who agrees to participate in the Advanced School of Architecture (ASA), cannot participate in other programmes and/or special courses activated by the University the participation in which may result in the student withdrawing from the Advanced School of Architecture (ASA); this restriction shall apply for the entire duration of the Advanced School of Architecture (ASA).

Therefore, after joining the Advanced School of Architecture (ASA), and for its entire duration, any other applications submitted by the student for participating in other programmes and/or courses offered by the School and Politecnico will not be accepted as they are incompatible with the student's participation in the Advanced School of Architecture (ASA), in accordance with the previous clause.

PROCESSING OF PERSONAL DATA

With regard to the processing of personal data, pursuant to Art. 13 of Regulation (EU) 2016/679 of 27 April 2016, please refer to the specific University web page <https://www.polimi.it/en/privacy>.

PROCEDURE MANAGER

In accordance with the provisions of Art. 5 of Italian Law No 241 of 7 August 1990, 241, the Procedure Manager in charge of the procedure referred to herein is Mr Gianluca Attolini.

Milan, 13th March 2024

The Rector

Donatella Sciuto
