# Evaluation of previous career for applications for admission a.y. 2023/24

1. All documents required for the purposes of the past career evaluation must be uploaded at the time of the evaluation request. Additional documents uploaded after the deadline will not be accepted.
2. The lists of courses self-certified when completing the online application must correspond to those in the certificate of examinations taken.
3. Students with foreign qualifications: guide on how to apply at the following link:  
[www.poliorientami.polimi.it/come-si-accede/studenti-con-titolo-estero/studenti-con-precedente-carriera-universitaria](http://www.poliorientami.polimi.it/come-si-accede/studenti-con-titolo-estero/studenti-con-precedente-carriera-universitaria)
4. Lists that present discrepancies between the translation and what the student submitted will not be taken into consideration
5. The exams already taken and declared in the evaluation application will be considered
6. If you have any doubt that the CFUs required for transfer without an admission test/test will not be validated, we advise you to take the relevant test for the academic year 2023/24

**ATTENTION:** only for the transfer to the Architectural Design course delivered in English is mandatory to present the appropriate English language certificate.

# ARCHITECTURAL DESIGN

(class L-17 decree 270/04)

- Campus of Milano (course delivered in Italian and English)
- Campus of Mantova (course delivered in Italian)
- Campus of Piacenza (course delivered in Italian and English)

## Architectural Design

By respecting the number of vacancies referred to the planned number of places according to the resolution of 6/12/2022, it is possible to proceed without having to take the Architecture admission test for the academic year 2023/24 if the following conditions are fulfilled.

### **ATTENTION**

forfeits and dropouts of any class and/or system (enrolled at the Polytechnic and at other universities) are still required to take the admission test in Architecture for the a.y. 2023/24

If you come from another university or are already a graduate/diploma holder and want to obtain your degree at the Politecnico di Milano, you must in any case acquire **60 credits** of curricular exams in our university in addition to the **final test** and the compulsory **internship** where applicable.
